

# Robopony T-16

T-16 is currently assigned to scouting

duties, often exploring the wastes with a hoofful of other ponies or robots in search for lost technology or other potential residents for the City.

## Appearance

T-16 is an armored and tracked Robopony with a yellow brain and eye. She has a female-sounding vocoder.

## Personality

T-16 cares a lot about ponies and is protective of those in need. She is very casual about her own brain, often rubbing it in the open.
